

Certified Food Protection Manager Instructor and Continuing Education Course Submittal

Use this form to submit course and instructor information if you offer certified food protection manager (CFPM) continuing education, initial courses or exams. Please contact us at 651-201-4500 if you have questions.

Applicants for Minnesota CFPM must provide proof they have passed an exam from an organization accredited by the <u>ANSI-CFP Accreditation Program</u>. Minnesota CFPMs who wish to renew their certification must provide documentation that they have completed at least four hours of approved continuing education between the effective date and the expiration date of the Minnesota CFPM certificate.

Check all training and/or exams that you offer and provide exam name(s), if applicable:

Continuing education

Initial course with exam (provide exam name)

Exam only (provide exam name)

Check the provider type that best fits your company or organization:

Government agency

Private course provider

State college or university

Trade association or national training organization

University of Minnesota & Extension

There is no fee. Email completed form and attachments to health.fmc@state.mn.us or mail to:

Minnesota Department of Health Food, Pools, and Lodging Services Food Manager Certification P.O. Box 64975 St. Paul. MN 55164-0975

Information provided on this form is classified as public information under Minnesota Statutes, chapter 13.

Instructor qualifications

Provide the required information, depending on the type of courses or exams you offer.

Continuing education

Complete this section if you offer continuing education. Continuing education instructors must:

- Hold a current Minnesota CFPM. <u>Search for Certified Food Protection Managers in</u> Minnesota.
- Review developments in topics you teach at least every 2 years. Some examples include:
 - Attending a food safety training course or Food Safety Partnership of Minnesota meeting related to topics you teach.
 - Reviewing updates to Minnesota food code or FDA guidance and revising your course content when necessary.
 - Consulting with food safety experts, such as retail food regulatory program sanitarians to ensure the accuracy of your course content.

| Instructor name | Minnesota CFPM number | Minnesota CFPM expiration date |
|-----------------|-----------------------|--------------------------------|
| | | |
| | | |
| | | |
| | | |

Exams

Complete this section if you offer exams. Exam proctors must be approved by the exam company.

| Instructor name | Exam company name | Exam company instructor credential information | Credential expiration date |
|-----------------|----------------------|--|----------------------------|
| | | | |
| | | | |
