CME/Continuing Education

These activities have been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Minnesota Medical Association and Minnesota Department of Health. The Minnesota Medical Association (MMA) is accredited by the ACCME to provide continuing medical education for physicians.

The Minnesota Medical Association designates these live internet activities for a maximum of *1 AMA PRA Category 1 Credit(s)*[™] each. Physicians should claim only the credit commensurate with the extent of their participation in these activities.

Other participants will receive proof of attendance documents from MDH following completion of a post-webinar evaluation and are responsible for determining if the trainings meet CE criteria for their professional organization.

The *Center of Excellence in Newcomer Health* is supported by 5 NU50CK000459 (MN) from the U.S. Centers for Disease Control and Prevention.
