Ms. Simon, I am responding to a request from Stefan Gildemeister Director, Health Economics Program about St. Joseph's Hospital. I am responding on behalf of Laura Reed, President of Acute Hospitals for Fairview Health Services.

1. What is the number of available inpatient beds as of May 2018? **239**
2. Of the currently unused inpatient licensed bed capacity,
 - a. How many beds could be brought online within a short period of time and without structural change or reorganization of patient rooms (e.g. leaving single rooms as single rooms or converting observation units to inpatient units)? **23 inpatient beds**
 - b. How many beds could be brought online with minor structural changes or reorganization of rooms (e.g. refurbishing space not used for inpatient care)? **Additional 19 inpatient rooms**

Please let me know if you have additional questions.
