### DEPARTMENT OF HEALTH

# **Emergency Preparedness: Appendix Z**

### STATE EVALUATION: ASSISTED LIVING PROVIDERS (144G)

# **Related Rule and Statute**

- <u>144G.42, Subd. 10 Disaster planning and emergency preparedness plan</u> (https://www.revisor.mn.gov/statutes/cite/144G.42)
- <u>4659.0100 Emergency Disaster and Preparedness Plan Appendix Z</u> (https://www.revisor.mn.gov/rules/4659.0100/)

# **Provider and Survey Information**

Provider Name:	Time of Survey:
HFID:	Surveyor Name:
Data of annual	

Date of survey:

# Verify the Following Items

### 1. Establishment of the Emergency Program (EP)

#### Requirements

- Must establish/maintain a comprehensive EP which describes the facility's approach to meeting health/safety/security needs of staff/residents.
- Must address how would coordinate with other health care facilities (HCF), as well as community on a whole during emergency or disaster (natural, man-made, facility, etc.).
- Must be reviewed/updated annually.

- Compliant: 🛛 Yes 🗆 No
- Describe the facility's Emergency Preparedness Plan (EPP).
- Ask to see written policy & documentation of EPP.
- Comments:

### 2. Develop and Maintain the EP

#### Requirements

- Be updated annually, must document date of review and any updates made to the plan based on the review
- Risk assessment should consider hazards like care related emergencies, equipment/utility failures, interruptions in communications/cyber-attacks, loss of all or portion of a facility, interruption to normal supply of essential resources and medical supplies
- Should consider duration of interruptions
- Consider emerging infectious diseases (EIDs)
- Arrangements/contracts to re-establish utility services

#### **Compliance / Interview Questions / Comments**

Compliant:

🗆 Yes

🗆 No

- Verify the facility has an EPP.
- Ask to identify the hazards identified by the facility's risk assessment & how the assessment was conducted.
- Review plan to verify contents.
- Verify plan reviewed/updated annually with documentation.
- Comments:

### 3. Maintain and Annual EP Updates

#### Requirements

- Must document the risk assessment
- Must take an all-hazards approach, including EIDs, as applicable
- Categorize the various probable risks/hazards by likelihood of occurrence
- Must develop strategies for addressing facility & community-based risks (i.e.: evacuation plans, staffing surges/shortages, back-up plans)
- Missing resident plan

- Compliant:
  I Yes
  I No
- Ask to see written documentation of risk assessment.
- How were hazards identified to be included?
- Verify assessment is facility & community based.
- Refer to Rule 4659.0110 Missing Resident Plan (<u>4659.0110 MN Rules Part</u>) for all the required components of the plan. The missing Resident plan must be reviewed quarterly.

Comments:

### 4. EP Program Patient Population

#### Requirements

- Must identify at risk population needs like maintaining independence, communication, transportation, supervision and medical care.
- Must identify which staff would assume specific roles in another's absence through succession planning and delegation of authority.

□ No

□ No

• Should be a qualified person who is authorized in writing to act in the absence of the administrator.

#### **Compliance / Interview Questions / Comments**

- Services facility could continue to provide identified?
- Identified how services needed that can't be provided will be outsourced?
- Delegations of authority identified?
- Comments:

### 5. Process for EP Collaboration

#### Requirements

 Must include a process for cooperation and collaboration with local, tribal, regional, State and Federal EP to maintain integrated response

#### **Compliance / Interview Questions / Comments**

- Compliant: 🛛 Yes 🖾 No
- Describe collaboration process? Part of a healthcare coalition?
- Comments:

### 6. Development of EP Policies and Procedures

#### Requirements

- Must develop and implement EP policies/procedures (P/P) based on the EP, risk assessment & communication plan
- Must be reviewed/updated on annual basis

- Compliant:
  Yes
  - Review policies; Reviewed/updated annually?

Comments:

### 7. Subsistence Needs for Staff and Patients

#### Requirements

- Must develop/implement EP P/P to address the following whether evacuated or shelter in place for staff/residents:
  - Food, water, medical supplies, pharmaceutical supplies
- Alternate sources of energy to maintain:
  - Temperatures to protect resident health/safety
  - Safe/sanitary storage of provisions
  - Emergency lighting
  - Fire detection, extinguishing, alarm systems
  - Sewage and waste disposal

#### **Compliance / Interview Questions / Comments**

- Verify EP includes P/P for at minimum food, water, and pharmaceutical supplies.
- Verify EP includes P/P for alternate sources of energy.
- Verify EP includes P/P related to sewage/waste disposal.
- Comments:

### 8. Procedures for Tracking of Staff and Patients

#### Requirements

- Must develop P/P for system to track the location of on-duty staff and sheltered residents
- If on-duty staff and sheltered residents are relocated, facility must document the specific name/location of the receiving facility or other location

- Compliant:
  - □ Yes
  - 🗆 No
- Describe tracking system.
- Verify plan is part of P/P.
- Comments:

### 9. Policies and Procedures Including Evacuation

#### Requirements

 Must develop P/P to address safe evacuation from the facility, including consideration of care/tx needs of evacuees; staff responsibilities; transportation; identification of evacuation location(s); primary/alternate communication means with external sources of assistance

#### **Compliance / Interview Questions / Comments**

- Compliant:
  I Yes
  No
- Verify EP includes P/P for evacuation including all required elements.
- Comments:

### 10. Policies and Procedures for Sheltering

#### Requirements

Must develop P/P to shelter in place for residents, staff, and volunteers who remain in the facility

#### **Compliance / Interview Questions / Comments**

- Verify P/P identifies how it will provide means to shelter in place.
- Comments:

### 11. Policies and Procedures for Medical Documents

#### Requirements

 Must develop P/P to address: system of medical documentation that preserves resident information, protects confidentiality, and secures/maintains availability of records

#### **Compliance / Interview Questions / Comments**

Compliant:

□ Yes

🗆 No

- Verify P/P addresses all required content.
- Comments:

### 12. Policies and Procedures for Volunteers

#### Requirements

P/P must address: use of volunteers, including the process/role for integration

- Compliant:
  Compliant:
  I Yes
  I No
- Verify P/P address to use volunteers and other emergency staffing strategies in its emergency plan.
- Comments:

### 13. Arrangement with Other Facilities

#### Requirements

 P/P must address: development of arrangements with other facilities/providers to receive residents in the event of limitations/cessation of operations to maintain the continuity of services to residents

□ No

#### **Compliance / Interview Questions / Comments**

- Ask to see copies of arrangement agreements.
- How does the facility plan to transport in an evacuation?
- Comments:

### 14. Roles under a Waiver Declared by Secretary

#### Requirements

 P/P to address role of facility under a waiver declared by the Secretary in accordance with section 1135 of the Act

#### **Compliance / Interview Questions / Comments**

- Compliant:
  I Yes
  I No
- Verify facility has P/P for providing care/tx at alternate are sites under 1135 waiver.
- Comments:

### 15. Development of Communication Plan

#### Requirements

- Must develop a written communication plan
- Must be reviewed/updated annually

#### **Compliance / Interview Questions / Comments**

- Compliant:
  I Yes
  No
- Verify written communication plan & annually reviewed.
- Comments:

### 16. Names and Contact Information

#### Requirements

 Communication plan must include all the following names/contact information: staff, entities providing services under agreement, residents' physicians, other facilities, volunteers

#### **Compliance / Interview Questions / Comments**

Compliant: 🛛 Yes 🗌 No

- Verify all required content present.
- Comments:

### 17. Emergency Officials Contact Information

#### Requirements

- Communication plan must include contact information for the following:
  - Federal, State, tribal, regional & local EP staff
  - State Licensing and Certification Agency
  - MN Office of Ombudsman for LTC
  - Other sources of assistance

Verify all required content present.

#### **Compliance / Interview Questions / Comments**

Compliant:

□ Yes

🗆 No

Comments:

### 18. Primary/Alternate Means for Communication

#### Requirements

 Communication plan must include: primary and alternate means of communicating with: facility staff and Federal, State, tribal, regional & local emergency management agencies

#### **Compliance / Interview Questions / Comments**

- Compliant: 🛛 Yes 🖾 No
- Verify all required content in the plan.
- Does the provider have all equipment procured as listed in plan?
- Comments:

### 19. Methods for Sharing Information

#### Requirements

- Communication plan must include:
  - Method for sharing information and medical documentation for residents under the facility's care, as necessary, with other HCPs to maintain continuity of care
  - Means, in event of evacuation, to release resident information as permitted under 45 CFR 164.510(b)(1)(ii)
  - Means of providing information about general condition/ location of residents under the facility's care as permitted under 45 CFR 164.510(b)(4)

#### EMERGENCY PREPAREDNESS: APPENDIX Z (STATE EVALUATION 144G)

□ No

- Verify communication plan has P/P to address the means facility will use to release resident information.
- Comments:

### 20. Sharing Information on Occupancy/Needs

#### Requirements

 Communication plan must include all of the following: means to providing information about the facility's occupancy, needs, and its ability to provide assistance, to the authority having jurisdiction, the Incident Command Center, or designee

#### **Compliance / Interview Questions / Comments**

- Compliant:
  I Yes
  No
- Verify communication plan contains required content.
- Ask how residents/families/representatives receive information regarding the EP.
- Comments:

### 21. LTC Family Notifications

#### Requirements

 Communication plan must include all of the following: method for sharing information from the emergency plan, that the facility has determined appropriate, with residents and their families/representatives

#### **Compliance / Interview Questions / Comments**

Compliant:  D Yes	🗆 No
-------------------	------

Comments:

### 22. Emergency Prep Training and Testing

#### Requirements

- Must develop and maintain EP training and testing program
- Must be reviewed/updated annually

- Compliant:
  I Yes
  I No
- Verify facility has a written training and testing program.
- Comments:

## 23. Emergency Prep Training Program

#### Requirements

- Training program must include all of the following:
  - Initial training in EP P/P to all new and existing staff, individuals providing services under arrangement, and volunteers consistent with their expected role
  - Provide EP training at least annually
  - Maintain documentation of all EP training
  - Demonstrate staff knowledge of EP

#### **Compliance / Interview Questions / Comments**

- Compliant:
  I Yes
  I No
- Ask for copies of facility's initial and subsequent EP trainings and annual EP training offerings.
- Review sample of staff training files to ensure staff have received training (annually).
- Comments:

### 24. Emergency Prep Testing Requirements

#### Requirements

- Must conduct exercises to test the EP at least twice per year, including unannounced staff drills using the EP
- Must include the following:
  - Participate in an annual full-scale exercise that is community based OR conduct an annual, individual, facility-based functional exercise OR if the facility experiences an actual emergency requiring activation of plan, facility is exempt from engaging in its next required full-scale exercise
  - Conduct an additional annual exercise that may include: a second full-scale exercise that is communitybased or an individual, facility based functional exercise OR mock disaster drill OR table-top exercise
  - Analyze the facility's response to and maintain documentation of all drills, tabletop exercises and emergency events & revise plan as needed

- Compliant:
  Compliant:
  Yes
  No
- Ask about participation of management and staff during scheduled exercises.
- Ask to see the documentation of exercises.
- Request documentation of the facility's analysis and response and how the facility updated in EP based on the analysis (if applicable).
- Comments:

### 25. LTC Emergency Power (Typically Engineering)

#### Requirements

Must implement emergency and standby power systems based on their EP

#### **Compliance / Interview Questions / Comments**

- Compliant:
  Yes
  No
- Verify facility has what's needed per their EP.
- Comments:

### 26. Integrated Health Systems

#### Requirements

- If part of a healthcare system consisting of separately certified healthcare facilities elects to have a unified and integrated EPP, they may choose to participate
- If elected, the EPP must:
  - Demonstrate that each separately certified w/in the system actively participated in the development of the unified and integrated EPP
  - Be developed/maintained in a manner that takes into account each separately certified facility's unique circumstances, patient populations, and services offered
  - Demonstrate each separately certified facility is capable of actively using the unified/integrated EPP and is in compliance with the program
- Include a unified/integrated EP that meets requirements of this section. Plan must also be based on and include the following:
  - Documented community-based risk assessment, utilizing an all-hazards approach
  - Documented individual facility-based risk assessment for each separately certified facility w/in the health system, utilizing an all-hazards approach
  - Include integrated P/P that meet the requirements set forth

#### **Compliance / Interview Questions / Comments**

- Compliant: 🛛 Yes 🖾 No
- Verify whether the facility has opted to be part of its health care system's unified and integrated EPP.
- Ask to see documentation of plan and P/P.
- Comments:
